

INSTRUCTIONS FOR FILLING OUT THE WIN SHEET

You must fill out a Win Sheet at ALL SHOWS ONLY if your Shiloh Shepherd wins: Winners Dog, Winners Bitch, Reserve Winners Dog, Reserve Winners Bitch, Best Of Winners, Best Of Breed, Best Of Opposite, a Group Placement or Best In Show. You don't need to fill out a Win Sheet for Class Entries or for puppies under 6 months of age. Fill out ALL information on the front of the Win Sheet using your dog/bitch FULL REGISTRATION NAME AND NUMBER, plus coat type and where the show was held, the dates the show was held, whether it was an AM or PM show for that date and the class entered.

When listing total number of Shiloh Shepherds in classes, this information can be obtained from the Ring Steward. A separate number for the CHAMPIONS ONLY in Best Of Breed must be entered. If none were present, enter "None" OR 0. This information is crucial for the tabulation of points for the Top Male and Female dogs of the year and the Top Ten Dog Awards for the year.

Correctly check ALL boxes that apply in the Winners box and fill in the Group information.

Complete the owner/co-owner and show information.

ARBA **does not** allow you to get Judge's signatures, so please, don't ask a judge to sign a Win Sheet at an ARBA show. Make sure, however, to get the Show Chairperson's or Ring Steward's signature.
